Welcome to Hogarth Riverview Manor

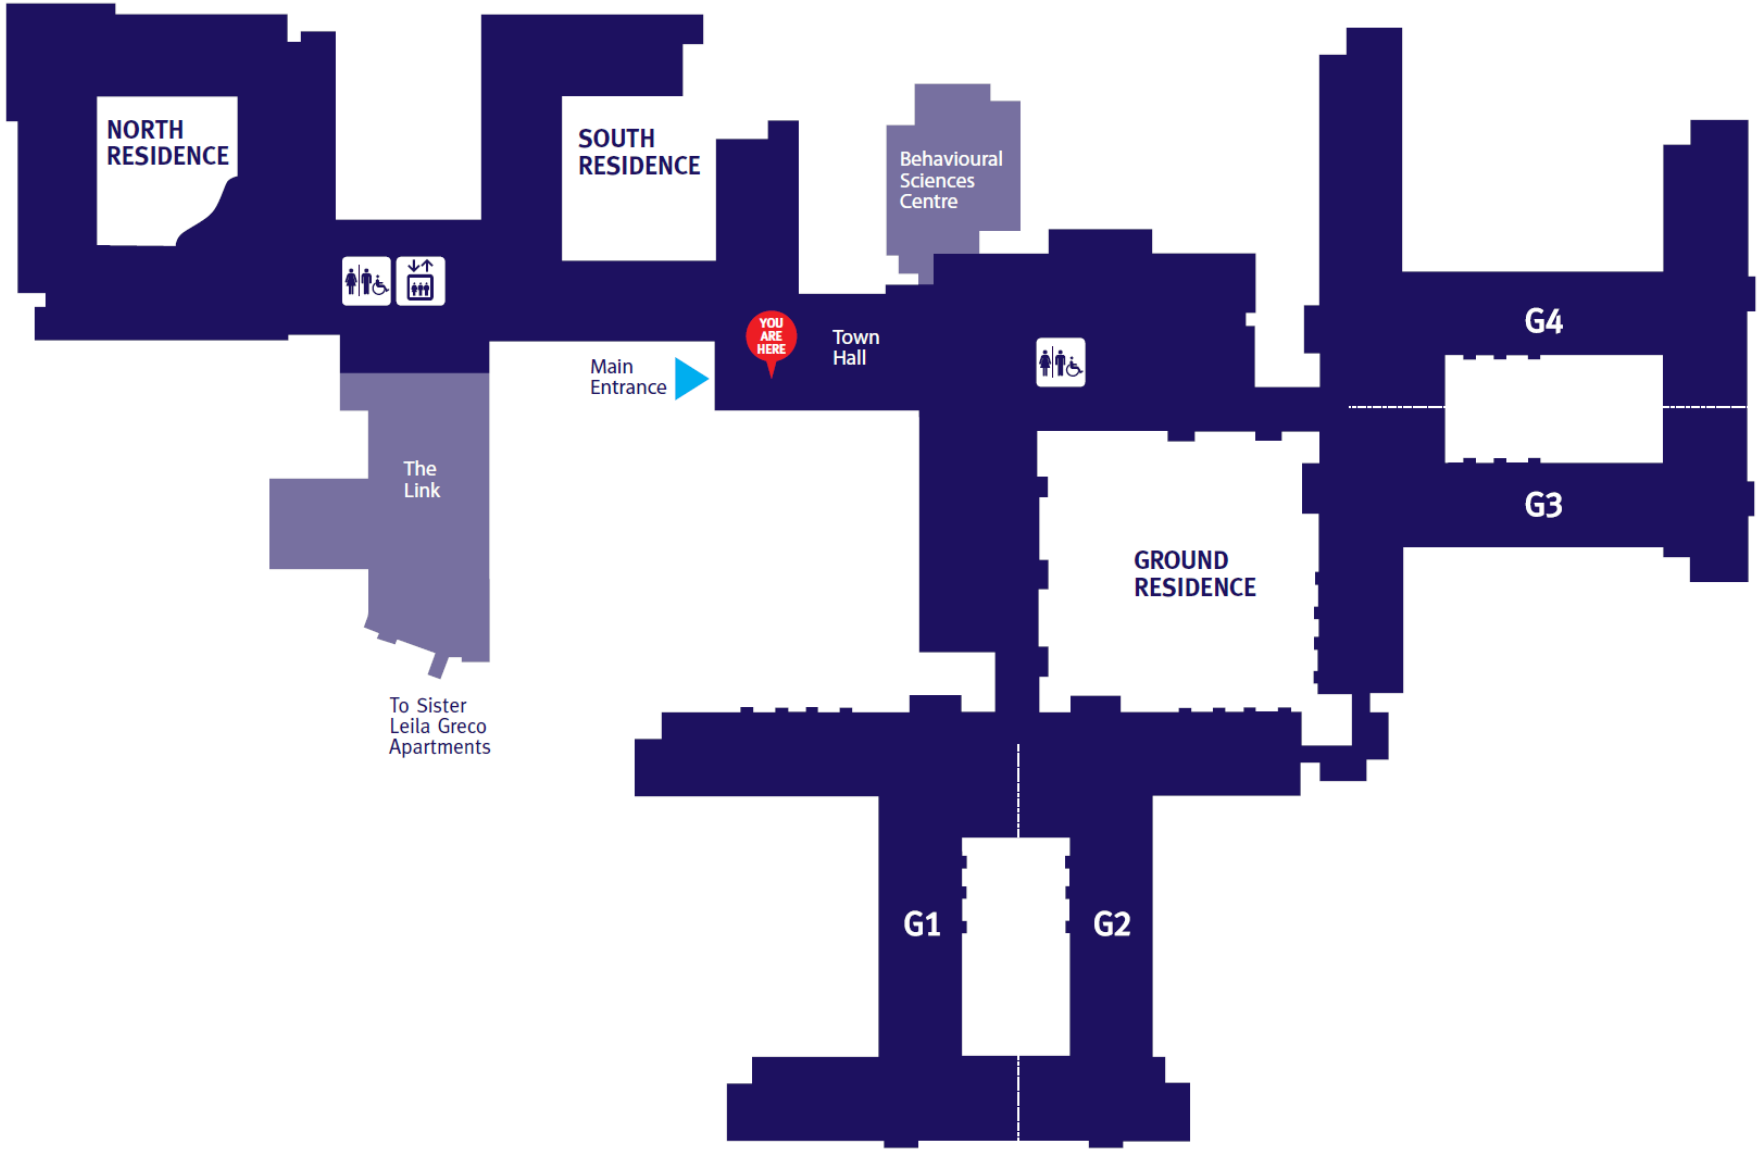

- Dawson Court is moving to floors 2, 3 and 4 but not filling all of 4 South.
- Grandview Lodge is moving to floors 4 South, 5 and 6 but not filling all of 6 South.
- Hogarth Riverview Manor is moving to floors 1, 6 and 7.

Your Move to HRM

- We expect approximately 8 residents to move per day.
- We encourage family members to be present. Families, loved ones, and 'familiar faces' are very important to our residents during times of change.
- Our goal is for residents and families to be able to see their room prior to move-in (ideally 1-2 days before). With all the activity going on during that time, we will need to coordinate this carefully. Further information will follow.
