LONG TERM CARE HOMES

What Is A Long-Term Care Home?

In Ontario, long-term care homes are licensed and regulated facilities that provide 24-hour nursing care and supervision for individuals with significant health conditions, disabilities, or cognitive impairments such as dementia. These homes support people who can no longer live independently or be safely cared for at home, even with support. For additional information visit: <https://ontariohealthathome.ca/region/north-west>

Step 1: Contact Ontario Health atHome

Call 807-345-7339 to reach our local Ontario Health atHome office. A care coordinator will walk you through eligibility requirements and the assessment process.

You may qualify for financial assistance to help offset these fees. Discuss this with your care coordinator for more information.
