WE NEED YOU TO VOLUNTEER!

Join us in welcoming residents
to their new home

About the Project

“Welcome to your new home!”

This is the greeting to be heard by residents and families as residents move into Hogarth Riverview Manor (HRM).

HRM will open its doors in the fall of 2015. Volunteer help is greatly needed to assist staff to ensure residents experience a smooth, safe, and seamless transition into their new home.

The new home will allow residents to enjoy privacy and have access to common spaces for socialization and companionship — important to a happy, healthy life!
