

New Titles February 2020

A Knock on the Door: The essential history of residential schools /
Truth and Reconciliation
Commission of Canada

A knock on the door presents the essential history and legacy of residential schools in a concise and accessible package that includes new materials to help inform and contextualize the journey to reconciliation that Canadians are now embarked upon.

E 96.5 T784 2016

Final Gifts: Understanding the special awareness, needs and communications of the dying /
Maggie Callahan

Hospice nurses share their intimate experiences with patients at the end of life, from more than twenty years' experience. Through their stories we come to appreciate the near-miraculous ways in which the dying communicate their needs, reveal their feelings, and even choreograph their own final moments.

BF 789 D4C3 2012

Out of our Minds: The power of being creative /
Sir Ken Robinson

Organizations compete in a world that changes in the blink of an eye – they need people who are flexible enough to adapt, and creative enough to find novel solutions to problems. This book describes how to bring creativity out of the closet and realize its inherent value. The author's TED Talk "Do schools kill creativity?" is one of the most watched of all time. View it [here](#).

BF 408 R56 2017

Clinical Manual of Youth Addictive Disorders /
APA

This text presents the latest research on substance use and substance use disorders in adolescents and emerging adults. It is a clinically compelling resource for understanding disease course, prevention, diagnosis, substance-specific interventions, co-occurring disorders, and issues related to special populations.

WM 270 C78 2020

Left Neglected: A novel /
Lisa Genova

From neuroscientist and bestselling author Lisa Genova comes a story of resilience in the face of a devastating diagnosis. After a car crash leaves a vibrant mother in her thirties with a traumatic brain disorder called "left neglect," she learns what truly matters most in life.

WL 354 G44 2011

Renal Nursing, 4th ed. /
Nicola Thomas

Renal Nursing is a comprehensive evidence-based guide to nursing in the field of nephrology and kidney care. This fully updated edition discusses the stages of chronic kidney disease, prevention and early management, pre-dialysis care, haemodialysis and peritoneal dialysis, transplantation, investigations and nutrition.
