

New Titles March 2021

Limitless: Upgrade your brain, learn anything faster, and unlock your exceptional life / Kwik

Limitless gives people the ability to accomplish more--more productivity, more transformation, more personal success and business achievement--by changing their Mindset, Motivation, and Methods. These "3 M's" live in the pages of Limitless along with practical techniques that unlock the superpowers of your brain and change your habits.

BF 637 K89 2020

Hidden Valley Road: Inside the mind of an American family / Kolker

The Galvins became one of the first families to be studied by the National Institutes of Mental Health. Their story offers a shadow history of the science of schizophrenia, from the era of institutionalization to the search for genetic markers. Unbeknownst to the Galvins, samples of their DNA informed decades of genetic research that continues today, offering paths to treatment and even eradication of the disease.

WM 203 K64 2020

EMDR Toolbox: Theory and treatment of complex PTSD and dissociation / Knipe

This innovative resource for therapists trained in standard EMDR delivers a powerful set of "tools" - useful strategies for helping difficult-to-treat clients with complex emotional problems. This 2nd edition describes new discoveries that promote effective ways of structuring therapy sessions and refines original treatment procedures that can facilitate therapeutic progress.

WM 172.5 K65 2019

Searching the Grey Literature: A handbook for searching reports, working papers and other unpublished research / Bonato

This book discusses different aspects of grey literature, including an introduction to grey literature, the value of grey literature, and search sources for grey literature. Search techniques for identifying grey literature documents, selecting and evaluating grey literature search sources and best searching practices are also discussed in detail.

W 20.5 B69 2018

The Canadian Journal of Psychiatry / SAGE

Established in 1956, The Canadian Journal of Psychiatry (The CJP) has been keeping psychiatrists up-to-date on the latest research for over 60 years. The CJP provides a forum for psychiatry and mental health professionals to share their findings with clinicians and researchers from around the world. SJCG has full access to CJP through EBSCO. Sign up to receive the table of contents [here](#).

New Serial

Psychiatric & Mental Health Nursing for Canadian Practice / Austin

Optimized for the unique challenges of Canadian health care and thoroughly revised to reflect the changing field of mental health, this 4th Edition is your key to a generalist-level mastery of fundamental knowledge and skills in mental health nursing. Gain the knowledge you need to deliver quality nursing care to a diverse population.
