

Hospice and Palliative Care Resources

SJCG Library

Journals

SJCG Library subscribes to several print and online journals. For a complete listing and to sign up to receive the **Table of Contents** to your favorite journals, including the one listed below, please click [here](#).

[Journal of Palliative Care](#)

A peer-reviewed, international and interdisciplinary forum for practical, critical thought on palliative care and palliative medicine founded in 1985. The journal publishes original research, and offers a respected, high-quality forum to publish multiple types of papers including opinion papers/commentaries, narrative and humanities works, case reports/case series, and reports on international activities and comparative palliative care.

Databases

SJCG Library offers several databases which are accessible from your ZenWorks Application Portal. We offer health, research, point of care and drug databases. Each database is searchable and where you will find references to published literature, including journal and newspaper articles, government and legal publications, patents, reports, and books. The Library also offers a literature search service to all staff. Request a **literature search** [here](#).

Hospice and Palliative Care Resources SJCG Library

CINAHL Cumulative Index to Nursing and Allied Health Literature (EBSCO Research Databases) is the world's most comprehensive nursing and allied health research database, providing indexing for more than 5,400. With full-text coverage dating back to 1937, CINAHL is the definitive research tool for all areas of nursing, biomedicine, alternative/complementary medicine, consumer health and 17 allied health disciplines.
