SJCG Library

Journals

SJCG Library subscribes to several print and online journals. For a complete listing and to sign up to receive the **Table of Contents** to your favorite journals, including those listed below, please click [here](#).

[Canadian Journal of Nursing Leadership](#)

A peer reviewed, quarterly publication from Longwoods, covering politics, policy, theory and innovations that contribute to leadership in nursing administration, practice, teaching and research.

[Canadian Nurse](#)

An online journal published by the Canadian Nurses Association, posting practical information, insightful opinions and interesting stories that are relevant to all domains of practice. New content is posted every week to support and inspire Canada's diverse nursing community.

[Geriatric Nursing](#)

A peer-reviewed, comprehensive source for clinical information and management advice relating to the care of older adults, addressing current issues related to drugs, advance directives, staff development, legal issues, caregiver education and infection control.

[Journal of Diabetes Nursing](#)

A peer-reviewed publication for all nurses involved in the care of people with diabetes. The journal serves as a forum for discussion and highlights the importance of the ever-increasing role of the nurse in the day-to-day treatment of people with diabetes.

[Nursing](#)

A peer-reviewed journal of clinical excellence providing practical information for all nurses on a comprehensive range of nursing topics, including clinical and professional information on drugs, diseases, nursing care strategies, and legal/ethical issues.

[Rehabilitation Nursing](#)

A refereed, award-winning publication striving to provide information for rehabilitation professionals, with excellent articles whose primary focus is rehabilitation nursing, including areas of clinical practice, education, administration, healthcare policy and quality improvement.

[Wound Care Canada](#)

A magazine focusing on all aspects of acute and chronic wound care, from prevention to cure. It is designed to take the latest evidence-based information and summarize it in a reader-friendly format.

Databases

SJCG Library offers several databases which are accessible from your ZenWorks Application Portal. We offer health, research, point of care and drug databases. Each database is searchable and where you will find references to published literature, including journal and newspaper articles, government and legal publications, patents, reports, and books. The Library also offers a literature search service to all staff. Request a **literature search** [here](#).

CINAHL Cumulative Index to Nursing and Allied Health Literature (EBSCO Research Databases) is the world's most comprehensive nursing and allied health research database, providing indexing for more than 5,400. With full-text coverage dating back to 1937, CINAHL is the definitive research tool for all areas of nursing, biomedicine, alternative/complementary medicine, consumer health and 17 allied health disciplines.

Updated March 2025
