

Occupational Therapy Resources

SJCG Library

Journals

SJCG Library subscribes to several print and online journals. For a complete listing and to sign up to receive the **Table of Contents** to your favorite journals, including those listed below, please click [here](#).

American Journal of Occupational Therapy

An official publication of the American Occupational Therapy Association (AOTA), which represents the professional interests and concerns of more than 140,000 occupational therapists, assistants, and students nationwide.

British Journal of Occupational Therapy

Publishes peer-reviewed articles with international relevance that advance knowledge in research, practice, education, and policy in occupational therapy.

Canadian Journal of Occupational Therapy

The principal content of the journal depicts empirical findings and theoretical/conceptual arguments pertaining to occupation-based, client-centred enablement with relevance to Canadian occupational therapy practitioners.

Databases

SJCG Library offers several databases that are accessible from your ZenWorks Application Portal. We offer health, research, point of care and drug databases. Each database is searchable and where you will find references to published literature, including journal and newspaper articles, government and legal publications, patents, reports, and books. The Library also offers a literature search service to all staff. Request a **literature search** [here](#).
