## SJCG Library

### Journals

SJCG Library subscribes to several print and online journals. For a complete listing and to sign up to receive the **Table of Contents** to your favorite journals, including those listed below, please click [here](#).

#### [Archives of Physical Medicine and Rehabilitation](#)

This international, peer-reviewed journal brings researchers and clinicians authoritative information on the therapeutic utilization of physical, behavioral and pharmaceutical agents in providing comprehensive care for individuals with chronic illness and disabilities.

#### [Journal of Orthopedic & Sports Physical Therapy](#)

*JOSPT* prioritizes research with a clear clinical message and potential for immediate impact in musculoskeletal rehabilitation practice. *JOSPT* covers issues in musculoskeletal health and rehabilitation from fields including physical therapy, orthopaedics, pain, and sports medicine.

#### [PTJ: Physical Therapy & Rehabilitation Journal](#)

*PTJ* publishes innovative and highly relevant content for clinicians and scientists and uses a variety of interactive approaches to communicate that content, with the expressed purpose of improving patient care. *PTJ* is the official scientific journal of the American Physical Therapy Association (APTA).

### Databases

SJCG Library offers several databases, which are accessible from your ZenWorks Application Portal. We offer health, research, point of care and drug databases. Each database is searchable and where you will find references to published literature, including journal and newspaper articles, government and legal publications, patents, reports, and books. The Library also offers a literature search service to all staff. Request a **literature search** [here](#).
