Townhall Programs

A reminder to all staff, residents, families and friends that townhall has limited space when facilitating programs such as games nights, bingos and entertainment. We ask that all families, friends and staff ensure seating is available for all resident wishing to participate. We encourage families, and friends to join programs with their loved ones often, however with limited space, and a large home we work to ensure residents come first for seating in these moments. The Therapeutic Recreation Staff will work to keep townhall safe, and may decide when townhall programs are at capacity and no longer taking new participants, including residents. Staff continue to do their best to ensure everyone has equal opportunity, if a resident is unable to attend a program due to reaching capacity, we will work to ensure that they are able to attend next time. Thank you for your cooperation and understanding.
